

ABOUT APPLEBY GLOBAL SERVICES (AGS)

Appleby Global Services (AGS) provides a range of administration, reporting and fiduciary services primarily focused on corporate structures.

Funded with significant development capital and owned by Appleby with equity participation by the key leadership team, our strategy has a long term focus to build the business sustainably through:

- A continued investment in people
- Developing long term client relationships
- Investment in technology and processes to deliver operational excellence
- Maintaining strong risk management practices
- Augmenting growth and service depth through strategic opportunities

Regulated to deliver Corporate, Trust and Fund services across seven pre-eminent financial centres, and utilising industry-leading technology, we deliver responsive and efficient commercial solutions through a strong procedural environment. Our clients include global corporates, asset managers and originators, institutions and family offices.

We have a globally integrated team of specialists who are respected and valued in the market and work together for our clients.

Our specialist sector capabilities include:

- Structured Finance and CLOs
- Real Estate and Infrastructure
- Employee Incentives
- Venture and Private Equity
- Insurance and Reinsurance
- Technology & Innovation
- Share Registrar and Listing Services

“Our dedicated team of experienced professionals work closely with our legal specialists to provide our clients with an integrated legal and corporate administration offering.”

APPLEBY GLOBAL SERVICES MAURITIUS
