

ABOUT APPLEBY GLOBAL SERVICES (AGS)

Appleby Global Services (AGS) provides a range of administration, reporting and fiduciary services primarily focused on corporate structures.

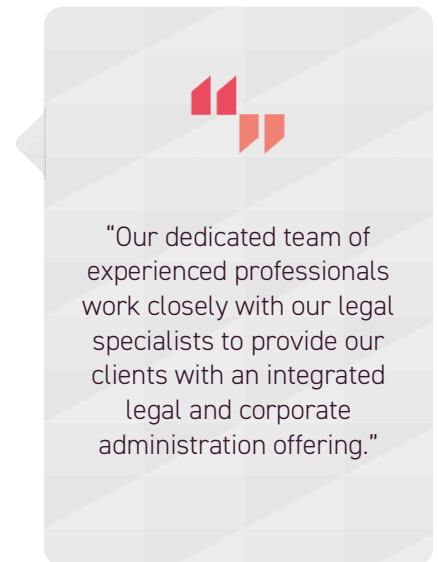

Funded with significant development capital and owned by Appleby with equity participation by the key leadership team, our strategy has a long term focus to build the business sustainably through:

- A continued investment in people
- Developing long term client relationships
- Investment in technology and processes to deliver operational excellence
- Maintaining strong risk management practices
- Augmenting growth and service depth through strategic opportunities

Operating from seven pre-eminent financial centres and utilising industry-leading technology, we deliver responsive and efficient commercial solutions through a strong procedural environment.

We have a globally integrated team of experts who are respected and valued in the market and work together for our clients. We have the capability to service clients operating in a broad range of industry sectors including global corporates, financial institutions and asset managers, requiring specialised director led and responsive services.

Our specialist focus is on providing expertise in identified specialist market areas including Capital Markets, Real Estate, Insurance and Private Equity.

“Our dedicated team of experienced professionals work closely with our legal specialists to provide our clients with an integrated legal and corporate administration offering.”
