

APPLEBY GLOBAL SERVICES (JERSEY) LIMITED

Our team of experienced and qualified professionals have a proven track record in understanding complex corporate and employee incentive structures developing and delivering bespoke services in a cost effective manner, within a strong corporate governance framework. We have worked with clients from over 100 countries in multiple sectors, providing us with the depth of knowledge and experience befitting today's sophisticated corporate client.

Our team is dedicated to building long term relationships with clients and their advisors. We work hard from the outset to build trust with our clients and to understand what makes their business work. We are innovative in our thinking and agile in managing change in an ever-evolving global environment.

We currently operate our integrated services in the key offshore jurisdictions of Bermuda, the Cayman Islands, Jersey, Mauritius and Seychelles, as well as the international finance centre of Hong Kong. With multiple years of experience and a vast breath of knowledge in each team, we are perfectly placed to facilitate our corporate clients who require one collaborative international administration team.

Alongside specialism in the corporate services arena the Employee Incentives team work collaboratively with clients and their advisors to ensure that the requirements of our clients and their employees are met effectively, whilst also applying a flexible approach centred on integrity and commerciality.

Working alongside our Appleby legal partners, we offer our clients fully integrated legal and administrative services.

We specialise in the delivery of:

- Incorporation and formation services
- Provision of registered office
- Provision of company secretarial service
- Employee incentive arrangements
- Full board support services
- Corporate Governance
